

The British Council for Chinese Martial Arts

c/o 110 FRENHAM DRIVE, STOCKINGFORD, NUNEATON, CV10 9QL
THE GOVERNING BODY FOR CHINESE MARTIAL ARTS IN THE UK

Notification of Annual General Meeting

The forthcoming AGM will take place at: 61-66 Russell Square, London. WC1B 5BB

On the 1st July 2017. Time 14.00 - 17-00

Please find attached the voting form along with manifestoes from each of the members wishing to stand on the BCCMA Executive for the coming term. If you will not be attending the AGM you may cast your vote by post.

The first vote is for proposed changes to the constitution. Historically the role of president has been given to those who have given exceptional service to the Council over many, many years, especially in the capacity as 'Officers' in either the IWUF or the EWUF Executives or Technical Committees. The role has previously been awarded to Ray Smith former Vice President IWUF and current President EWUF.

1. The Executive would like to bestow the title of Honorary President on Peter Warr in recognition of his more than 20 years' tireless work in Europe where he has held office as Secretary, Vice Chairman and representative of the European Technical committee, responsible for the development and training of international Judges. This would require small wording changes in the constitution to reflect the new position.
2. Currently it is down to the Members at a Members Council (AGM or EGM) to manage how or who is entitled to the Honorary Title of 'President' of the BCCMA. The Executive would like to propose that It is given the authority to Manage the role and entitlement of the title 'of President' in its absolute discretion.

The second is to vote for members wishing to stand on the executive. We have two people wishing to stand for the new position of head of Taolu and four people standing for the "Executive Member" position. You may vote for two people.

As Soon They is already an executive member changing positions he does not need to write a manifestoes.

There was only one nominee for Head of Sanda, so Panayiotis Evagorou will automatically be appointed to the position.

Please note that only associations that are full members can vote. That means that your annual membership has been paid and you have 30 or more members.

Please print off and fill in the forms, post to the address above by the 19th June.

Please mark the envelope "BCCMA AGM Vote"

David Nicholls: Executive Member Manifesto.

I have attended the last 3 AGMs and feel I could help. I started martial arts in the mid 80s, began teaching in the 90s and still teach. Drawing on professional experience in IT training and Project Management (booking software /databases and websites) within the leisure industry, I could work with the webmaster to maximise the BCCMA website as a communication tool, enhancing its value to members and potential sponsors, combined with a strategic use of social media. Utilising a MSc. in Sports Science I could also help deliver coaching facilities offered.

Reasons for Manvinder Hutchings Nomination as an Executive Member on the BCCMA Executive Board Council.

My reasons for selecting the role of an Executive Member are to develop an understanding of how the Council operates, learning it's aims, policies and procedures. Gaining this knowledge over time will help guide and steer me in certain directions for the BCCMA's future.

A strong passion for Tai Ji, under the tutelage of my SiFu David Miller for nearly 20 years.

My qualifications are; BA Hons in Law and Business, BSc Hons in TCM Acupuncture, I spent time working at Hangzhou Hospital, China, gained BCCMA Coaching to Level 2 and 3 (which I need to complete case studies for).

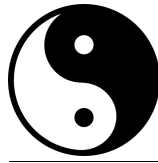

Mike Donoghue

I believe I am the best person to fulfil the role of head of Taolu because:

- I have been involved in the sport of Taolu since 1986
- I competed as an athlete on the GB team for several years
- I have acted as coach for the British Wushu Team on many occasions
- I have produced athletes that have won 35 medals at EWUF/IWUF level including Britain's only IWUF gold medal
- I obtained my IWUF coaching qualifications in Beijing 2006
- I passed my EWUF judges exam in Romania 2005
- I am a successful businessman with excellent communication, commercial and digital skills
